

IFCS Team GB would like to thank all those who have taken part in the try out competitions held this year. The team management have enjoyed seeing a growing number of participants and we feel that the standard has been pushed even higher.

We have great pleasure in announcing the team who will be flying the flag at IFCS 2020 in Belgium. 20 of whom have been selected on their performances over the year and 3 who are previous medallists which therefore enable us to take a team of 23 instead of 20!

600

Amy Bennett and Tame
